

# Ultimate Voice Communications. Unparalleled Customer Service. TeleCloud.

Finding reliable, cost-effective, modern phone systems shouldn't be so hard. The truth is, many voice providers deliver sub-par solutions and service. That's why TeleCloud devotes our business to delivering superior voice solutions with unrivaled customer service – specializing in servicing the North East region.

## Why TeleCloud?

We can help you successfully navigate 'The New World of Work'.

Our solutions will ensure you communicate, innovate, and collaborate to WIN.

We are humble, yet hungry to help our clients grow. Our success is your success.

Relationships are paramount to us.

You get the service you deserve.

We aren't just a voice provider. We are a family-owned company invested in the success of our clients. The proof is in the numbers:

**200+**

online Google reviews with a 4.9 star rating

We answer inbound service calls within 60 seconds

**98.6%**  
OF THE TIME

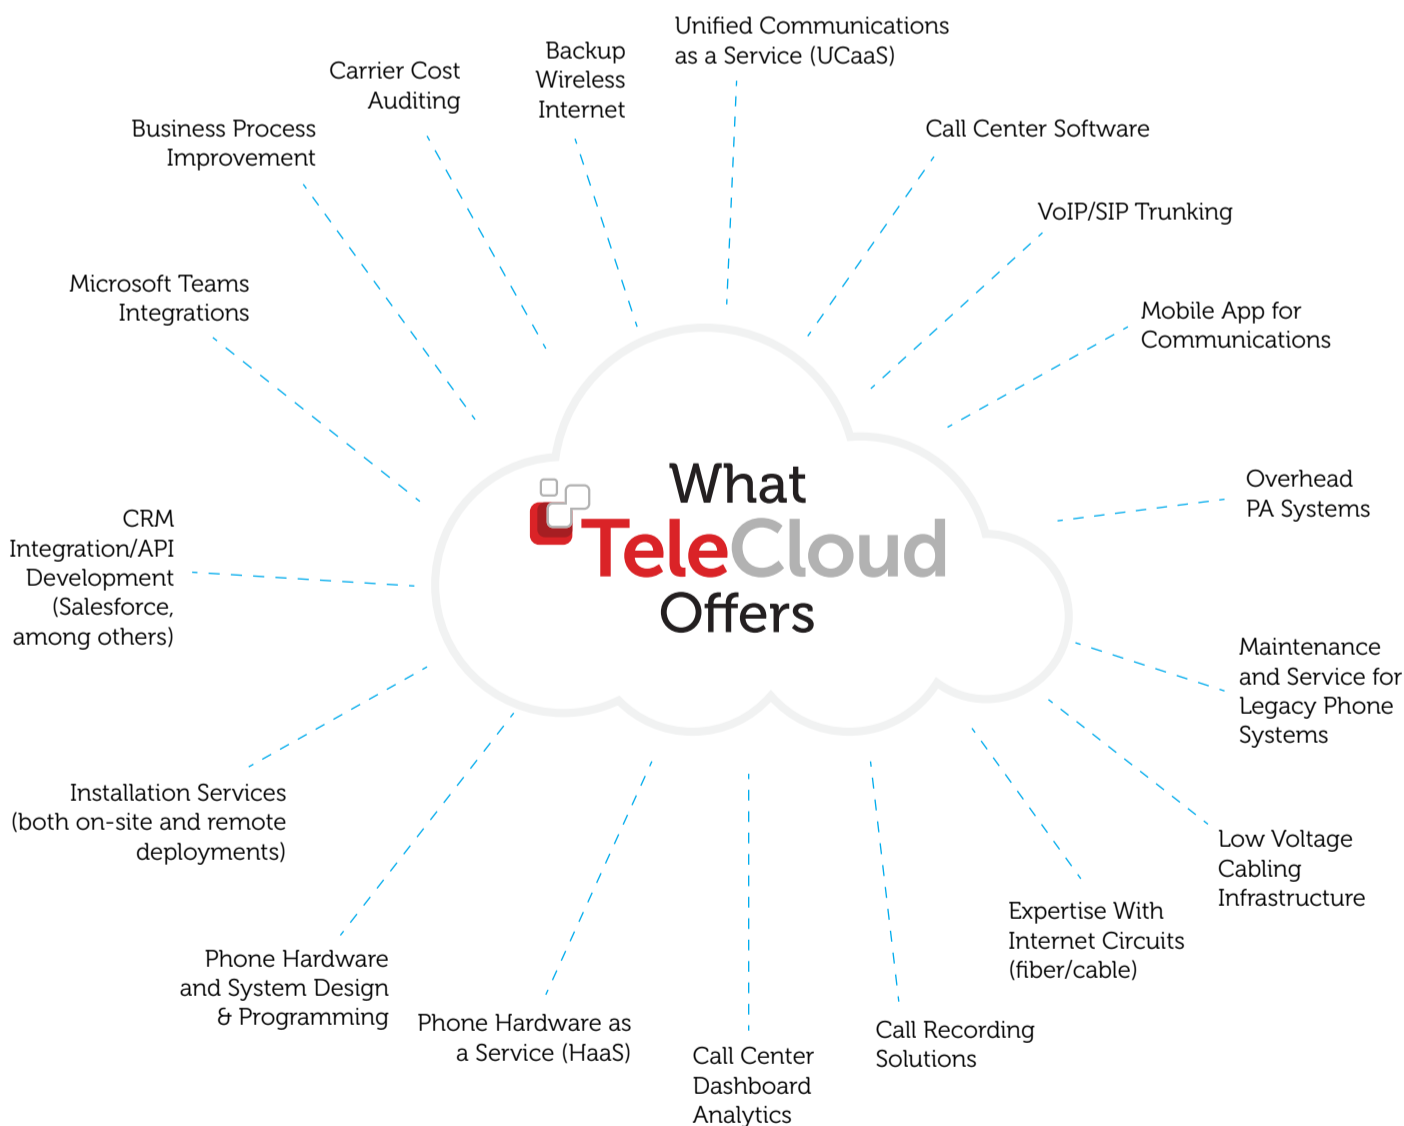

Based in New Jersey – serving the North East

**15,000+**

endpoints under management

**40**

years in business, with thousands of clients served over the years

## Powered by Cloud, Grounded by People

Modern voice solutions can't wait – especially for a growth-driven business like yours. If your company needs to communicate, collaborate, and innovate, it needs TeleCloud. Get in touch today to get started.
